

Timetable 7th Symposium University Utrecht

9:00	Coffee/Tea (There will be no registration desk)		
9:20	Opening by Rens van de Schoot	Presentations in English	
9:30	Vera Toepoel: "Asking the general population to wear an activity tracker for a week to measure health-related behavior: an investigation into response, data quality and logistics"		
10:00	Peter Lugtig "Doing a smartphone-app study in the general population. Experiences from designing the app, fielding it, and using app data to study travel behaviour"		
10:30	<i>Coffee and Tea Break</i>		
11:00	Hae-Won Uh "Biomarkers for vascular ageing based on smartphone acquired PPG signals"		
11:20	Niels Jongs "Towards unbiased and data-driven readouts of daily social functioning derived from longitudinal smartphone data and deep learning"		
11:40	Filipe Braganca - ABSTRACT		
12:00	Anae Sobhani "Effects of distraction and accompany type on pedestrians crossing in the context of the presence of Autonomous vehicles on the road"		
12:30	<i>Lunch (Registration for the symposium is free, but lunch is at your own costs)</i>		
13:45	Introductie middag gedeelte door Rens van de Schoot		Presentaties in het Nederlands
13:50	Minet de Wied - De hartslag als autonome maat van empathie		
14:10	Liza Cornet "Virtual Reality als een tool om gedrag te observeren"		
14:30	Fleur Velders "Wearable data: hoe geef je daar samen (met patiënten) betekenis aan?"		
14:50	Matthijs Noordzij – Update WIP-consortium		
15:00	<i>Coffee and Tea Break</i>		
15:30	Cocky de Wolf "het I-Partnerschap programma"		
15:45	Rianne Simons – ABSTRACT		
16:00	Julia Kurps – "RADAR-base - een open source platform voor verzameling van wearables en smartphone sensorgegevens"		
16:15	Thonie van Lieburg – "KenJezelf - vroegtijdige stress herkenning met behulp van wearables als instrument voor medewerkers met ASS en hun jobcoaches"		
16:30	Denise Klep – "Stress detection based on physiology measurements and machine learning to give vulnerable people a voice"		
16:45	Conclusions Stefania Rosanio & Ernst Eilering		
17:00	Outlook 8 th Symposium – Leiden University		
17:15	<i>Drinks & fingerfood- Sponsored by the Focus Area of Applied Data Science at Utrecht University</i>
